

## Basketball Tournament

The TSMC Sports Development Cell organized a basketball tournament competition as part of the college week festivities. The competition, spanning from September 25 to October 20, 2023, showcased the basketball prowess of higher secondary and bachelor degree students. The event featured thrilling matchups between various classes and semesters, culminating in an exciting finale.

The basketball tournament was a resounding success, providing an avenue for students to showcase their athletic talents and fostering a spirit of healthy competition.
